BY THE NUMBERS: “NICKEL-PER-NIP” MUNICIPAL PAYMENTS

Connecticut’s wine and spirits industry continues to distribute funds generated from the state’s “nickel-per-nip” stewardship program to all Connecticut cities and towns where nips are sold. Under the program, each municipality receives 5 cents for each nip sold within its borders every six months. The funding is intended for locally driven environmental stewardship programs.

The table below lists the allocation of payments to each Connecticut municipality covering the six-month period from 4/1/24 through 9/30/24.

[Note: Any towns with \$0 distributed sold no nips from 4/1/24 through 9/30/24.]
